

Homemade Peach Ice Cream

Ingredients:

- 3 cups ripe peaches, sliced and peeled
- 1 cup fat free half and half
- ½ cup sugar
- ½ cup whole milk
- ½ tsp vanilla extract

Directions:

1. Blend the peaches in a food processor or blender until finely chopped. Put the peaches, half and half, sugar, milk and vanilla in a large bowl and mix well.
2. Pour the entire mixture into an ice cream maker and freeze according to manufacturer's instructions. Freeze any leftovers and enjoy!
